Assistant professor. Dae-Myeong Geum

Department of Electrical and Electronic Engineering,
Inha University, South Korea

Dae-Myeong Geum is an Assistant Professor in the Department of Electronic Engineering at Inha University, Incheon, South Korea, since September 2024. He received his B.S. degree in Electronic Engineering from Inha University, Incheon, South Korea, in 2012, the M.S. degree in the School of Information and Communications from Gwangju Institute of Science and Technology (GIST), Gwangju, South Korea, in 2014, and the Ph.D. degree in Materials Science and Engineering from Seoul National University, Seoul, South Korea, in 2019. His research interests include semiconductor devices, compound semiconductors, micro-LEDs, image sensors, and heterogeneous integration technologies. Before joining Inha University, he served as an Assistant Professor in the School of Semiconductor Engineering at Chungbuk National University from 2023 to 2024. He was also a Senior Researcher at the Electronics and Telecommunications Research Institute (ETRI) from 2022 to 2023, and a Postdoctoral Researcher at the Korea Advanced Institute of Science and Technology (KAIST) from 2019 to 2022. Earlier in his career, he worked as an Intern Researcher at the Korea Institute of Science and Technology (KIST) from 2014 to 2015.
